

**MINUTES OF THE
SERVICE, UTILITIES AND PUBLIC LANDS COMMITTEE MEETING
FEBRUARY 5, 2019
7:00 P.M.**

Committee members present: Chairman Charlie Malta, Monica Koudela, Mike Vanni
Also present: Bob Reho, Ken Pintar, Sean Brennan

The meeting was called to order at 7:00 p.m. by Chairman Malta.

The purpose of the meeting was to discuss a complaint from a resident on E. 328th Street about residents leaving their garbage containers in front of their homes. Committee members agreed that it would be nearly impossible to enforce making our residents put their garbage containers in their back yards, especially seniors. The placement of the garbage container after it is emptied is not in our City Charter. Chief Building and Zoning Inspector Brennan felt it might be best to address the problem of residents putting out garbage during the week that is not in containers.

Recommendation to Council: Draft an ordinance as follows:

Chapter 1332 "Exterior Areas" Section 1332.01(d) "Prohibited Conditions"

No person, owner, agent, lessee or occupant of any property within the City shall place, cause to be placed or permit to be placed or remain upon such property outside of the residents building or other principal structure upon such property garbage or similar waste, unless such substance is contained in a garbage receptacle that is tightly covered.

The meeting adjourned at 7:16 p.m.

Respectfully submitted,

Charlie Malta, Chairman
Service, Utilities and Public Lands Committee
Willowick City Council
