Effective 8:00 AM Friday March 20, 2020

To ensure the safety of all our residents, contractors and employees, the willowick Building Department is requesting that all submittals for Zoning Permits, Point of Sales, etc., be done either digitally or via mail service. In addition, there will also be a drop box outside the front door for submissions. We are still scheduling inspections except for occupied residences. Our department is committed to serving the public but without putting the health of our staff or the public at risk.

UNTIL FURTHER NOTICE THE OFFICE WINDOW WILL BE CLOSED

We are requesting that all residents, contractors, etc. call in advance before coming to pick up permits, etc.

We appreciate everyone's patience and understanding during this uncertain time.
