

**RUBBISH PROGRAM**  
**Updated January 2017**

**Service Option 1: 95-gallon two wheeled rubbish cart**

Each resident is to continue to use their 95-gallon rubbish cart as usual. On the occasion you cannot fit all household rubbish in your cart, please place excess rubbish in separate containers or rubbish bags for collection on your regular scheduled collection day.

A few service reminders follow: Bulky items collection which includes stoves, hot water tanks (water removed), washers, dryers, furniture, chairs and carpet (cut four feet in length and bundled) are collected on your regular rubbish collection day. Appliances containing Freon must have the Freon removed and the unit tagged by a qualified technician to avoid a \$75.00 removal fee. Please keep these large items three feet away from your carts.

If bulky items such as furniture, mattresses and carpet contain bed bugs, these items need to be wrapped and sealed in plastic for the safety of our employees. Bulky waste items that contain bed bugs that are not wrapped and sealed in plastic will be left at the curb.

Items **not** included in the weekly collection are tires, batteries, automotive parts, flammable liquids, hazardous/infectious waste, construction materials generated by contractors performing work on homes, and any waste prohibited from disposal in a municipal solid waste landfill.

**Service Option 2: Bag only (30 gallon Kimble labeled bags)**

Bulky waste is not included in the Service Option 2. Bulky waste will range in price between \$10.00 and \$20.00 per item. Please call Customer Service to schedule removal of the item(s) and to obtain pricing.

**Reminders:**

Please remember to set all residential rubbish, yard waste and recyclable materials at the curb by 7:00 a.m. on your collection day.
