Motion carried. Administrative Appeal approved.

REPORTS & COMMUNICATIONS FROM THE MAYOR/SAFETY DIRECTOR

Mayor Vanni reports that their second K9 officer passed away on June 26. The new K9 officer reached out to Molly because we have the memorial in the back and they have not put up a K9 since 2016 or so. They will get it back together and likely have a ceremony in the fall. Every City in the County can participate and he believes it is about \$125 each. More to come on that.

He swore in the newest part time Lt. for Fire Department last week. He also swore in a part time captain a couple months ago. There was a test for the full time captains and they had two accept. August 11 they will likely swear them in and then do a formal swearing in with families at the September 2nd Council Meeting. Kyle Baker will join next week for Police. Everyone is excited about him coming back. An additional officer in continued commitment for making our safety forces the best in the County.

It looked like an isolated incident, but there was a phishing email that went to businesses last Thursday asking for \$4800. It was a pretty decent fake but they did not pay. IT thinks it was isolated and we were not hacked. We did post a warning on a few Facebook pages though. The good news is we were not hacked.

You might have seen that work started at the median at Shoregate. Maybe Monday? The bad news is it is on hold for a potential sewer issue. Might delay a bit. Will be right turn only there.

Vision 2050 continues to meet to discuss the County's comprehensive plan. There is a survey, Mayor posted it on the website also. He encourages every resident to participate.

Last, Gold Star is having their 5k race July 27 at 9 am. \$35 to register.

COUNCIL DISCUSSION OF THE MAYOR'S REPORT

Phares asks what the median will look like?

Mayor Vanni says Sean has the plan and he does not want to misspeak. He cannot recall off the top of his head.

GENERAL COMMUNICATIONS & REPORTS – Directors & Officials

Service Director – Todd Shannon

Todd Shannon says there is a major storm sewer that flows through that area. They will be investigating and now in a holding process to ensure it doesn't sink. Sewer meeting was before this. Big rain event June 27. These events are becoming more common through the US. They are trying to mitigate flooding as much as they can. There is only so much they can do.

Ms. Koudela commends the crew, specifically Gary Earl and a newer employee who both came out to block a portion of 320. Gary made a point to ensure it was safe for her to turn onto Lakeshore.

Recreation Director – Julie Kless

Julie Kless says everything is going well. There are a few events coming up. Christmas in July is July 25 from 6-8. Family fun night and outdoor movie is Saturday July 26 at Dudley 7-8:30, movie to follow. Tonight there is a motion for approval for a contract with OMG and that is for the inflatable for the family fun night. Watershow is Tuesday August 5th at approximately 8:45 pm.

No questions.

City Engineer – Tim McLaughlin

Tim McLaughlin says Forest Grove Sewer Project is getting ready to go out for bid. Current estimate is about \$1 million. We should be fully funded for that. Lakeshore Boulevard West Permits.

Finance Director – Cheryl Benedict

No report.

Law Director – Mandy Gwartz

Law Director Gwartz says the Resolution that was added to the agenda today was actually passed at the last meeting, but due to us amending the prior legislation amending this levy, they needed to be passed at a separate meeting hence why it is on tonight.

Police Chief – Rob Daubenmire

Report emailed.

Fire Chief – Bill Malovrh

Report emailed.

Chief Housing/Zoning Inspector – Sean Brennan

WARD MATTERS

Mr. Malta says he is sorry to hear Todd is down to 3 for sewer crew. 297 E 310th the catch basin has collapsed again. It was fixed a couple years back. It is right in the apron.

Todd says they will look at it in the morning.

PUBLIC PARTICIPATION

a) Public statement (1 minute maximum)

b) Council response to the public

c) Public clarification (30 seconds to 1 minute for the purpose of restating or rearticulating an original question, concern, suggestion or idea)

Joanne Schilner, 29700 Silven Dr., says she has lived here since 2009. Willowick is a wonderful place to live. It is quiet and peaceful with friendly neighbors. It is very different from many places around. She appreciates living here. Their homes are tightly packed together, barely room for a driveway between,

yet they are able to live harmoniously. Fireworks are illegal in Willowick, but it seems to make no difference to the home owner on Cresthaven who has set off professional grade fireworks for the second year in a row now. What can she, and other neighbors, do to be sure it does not happen again?

Nicolas Koudela, 29529 Cresthaven Dr, says he has lived there on and off for the past 36 years. Claims the other resident has been illegally trespassing and has made accusations she cannot back up.

Ms. Koudela thanks Ms. Schilner for her comments. If you witness fireworks you can call the non-emergency police line. If they witness anything, they can issue a citation for that.

Chief Daubenmire says that particular night, they responded to 27 fireworks complaints. They issued 8 warnings and the rest were unfounded. They were not going off at the time they were there. They did not have to go to a repeated address.

Ms. Koudela says she agrees Willowick is a great place to live. If you have an issue with one of your neighbors, you should reach out individually rather than a public meeting or email.

Ms. Shilner says she attempted to go and speak to the homeowner. She walked to the back of the property where the party was going on and asked to find the homeowner. No one could point her in the correct direction. She lives a block away from her and the amount of noise and disruption was unbelievable. There were fireworks for cities that could have been attended instead. As a council member and council president, you should have more consideration for your neighbors. She states she has videos and other proof.

Ms. Koudela says the other person mentioned he was the sole owner.

REPORTS OF STANDING COMMITTEES

Finance – Bisbee, Mohorcic, Antosh

Safety – Phares, Malta, McFarland

Service, Utilities & Public Lands – Malta, Phares, McFarland

Streets, Sidewalks & Sewers – Mohorcic, Malta, Bisbee

PUBLIC PARTICIPATION

a) Public statement (1 minute maximum)

b) Council response to the public

c) Public clarification (30 seconds to 1 minute for the purpose of restating or rearticulating an original question, concern, suggestion or idea)

Jean Bowen, 472 E 319th street, is curious about the lights on Vine Street. Will they be brighter or still dim?

Ms. Koudela directs to Todd.

Todd says it will be an LED type light. The old school lights they grew up with are almost non-existent.

Tax Budget Hearing begins at 7:15 p.m.

Finance Director Benedict says there are 2.5 mills of renewal levies not included at this time. There is ¼ mill increased for street lighting.

No questions.

Tax Budget hearing closed.

Back to resolution 2025-37.
