Email: mvanni@cityofwillowick.com

I am pleased to announce that Willowick has been awarded a grant of \$525,800 from the Ohio Public Works Commission to support the Larimar Culvert Rehabilitation Project. This investment represents an important step in our continued efforts to strengthen and modernize the city's sewer infrastructure. We remain committed to pursuing every opportunity that enhances the safety, reliability, and long-term sustainability of our public systems.

The City will conduct its annual Budget Hearing over two evenings this year. The first session will be held on February 3 and will begin immediately following the regularly scheduled City Council meeting at 6:30 p.m. The second session will take place on Wednesday, February 4 at 6:00 p.m. in Council Chambers. These public hearings provide residents with a clear view of the proposed expenditures for the coming year, as presented by the Mayor and each department director. They are among the most significant meetings we hold, as they reflect our ongoing responsibility to ensure that taxpayer dollars are managed with care, transparency, and fiscal discipline.

I would like to recognize our Service Department for the outstanding job they did plowing the streets during the winter storm that took place last weekend. Our crews worked throughout the entire weekend to keep streets clear across the City, and their dedication and hard work are truly appreciated.

I hope to see everyone on Saturday, February 7, for the annual Hearts & Hammers fundraiser in Eastlake at Regovich Catering. This event continues to make a meaningful difference in the lives of Willowick residents in need, and your participation directly supports that mission.

Please make sure to regularly visit the city's website at www.cityofwillowick.com, as we continuously update it with new community programs and events for our residents. Additionally, the city has launched a new Facebook page, which can be accessed through our website. Both the Facebook page and the website are updated daily.

Michael J. Vanni
Mayor/ Safety Director
