Dear Willoughby-Eastlake Business Community,

We are writing to make you aware of a few scheduling changes in the month of April that may impact your business. North and South High Schools will be utilizing a delayed start to the school day due to standardized testing on the following dates:

Wednesday, April 12th
Friday, April 14th
Wednesday, April 19th
Friday, April 21st
Wednesday, April 26

The majority of the students at both schools will not report to school until 9:45 AM on these days. It is quite possible that you will see an increase in foot traffic during the times of 7:45-9:45 AM on these dates. We felt it was prudent to notify you of this in advance so that you could prepare.

Should you have any issues related to high school aged students during these windows of time on these dates, feel free to reach out to the appropriate building principal for assistance. For Eastlake, Willowick, Timberlake, and Lakeline, contact Eric Frei at North High School at eric.frei@weschools.org. For Willoughby and Willoughby Hills contact Brian Patrick at South High School at brian.patrick@weschools.org.

Sincerely,

Eric Frei
