

ODOT E. 305th Resurfacing Project PID# 120114

Resurfacing of E.305th St. will begin on 1 May 2026. This is an Ohio Department of Transportation project run by them with Great Lakes Crushing as the contractor.

Project will be done in 3 phases....

Phase #1 From Lakeshore Blvd. to Willowick Dr.

Phase #2 From Willowick Dr. to Barjode.

Phase #3 From Barjode to Lakeland Blvd.

Phase #1

Traffic will be limited to one lane heading Southbound on the West side on E.305th St. with the North bound lanes on the East side being closed to allow work to be done on them. Once this is complete, they will construct the West side of E.305th from Willowick Dr. to Lakeshore Blvd, while maintaining one lane of Southbound traffic on the East side.

Phase #2

Construct the Eastside of E.305th St. from Willowick Dr. to Barjode while maintaining one lane of Southbound traffic on the West side of E.305th St. Once this is complete they will construct the West side of E.305th St. from Willowick Dr. to Barjode while maintaining one lane of Southbound traffic on the East side of E. 305th St.

Phase #3

E.305th from Barjode to Lakeland will be closed for a 14-day period to complete repairs in the area. One 11-foot lane will be open for residents in the affected area and to allow Police/Fire access.

Detours for all 3 phases will be clearly posted on the roads.

ODOT contact for project is....216-584-2005

You may reach out to them with questions and concerns.
