

2025 Leaf Pickup

October 20 thru November 28, 2025

Collection of loose leaves Starts in Area 1,
continues in sequence Check

www.cityofwillowick.com for daily
completion updates or (440) 585-0963
Option 1 (there will be a short pause)

This is a 2-pass thru each Section only.

Once a street has been completed the crew
moves on to the next street and will not be
able to return to completed streets. This
schedule is weather and manpower
permitting.

Please do not pile leaves on Hydrants, Storm
Basin Inlets or in the gutter line of streets.

Leaves should be raked to the tree lawn.

DO NOT RAKE LEAVES INTO THE STREET.

These will clog the storm sewers and are a hazard.

Residents are encouraged to take advantage of Unlimited Yard Waste pickup through Major Waste Disposal. Major Waste residential yard waste collection ends the last full week in December, and will resume March 2, 2026. Leaves in kraft bags or containers should be put out on your usual trash pickup day. Loose leaves not collected by November 28, 2025 should be placed in kraft bags or containers for pickup until the last full week in December or when yard waste resumes in March.
