

Date of Work: June 22nd Start Time: 6:00 AM

This notice is to inform all residents of **305th Street** that asphalt paving operations will begin **promptly at 6:00 AM on June 22nd**.

Access & Parking Requirements

- **Driveway Access** — If you will need to leave your house, please plan to have all vehicles **out of your driveway by 6:00 AM**.
- **Morning Restrictions** — Expect **extremely limited access** during the early morning while crews remove the apron ramps, clean, and place tack coat
- **Late Morning Access** — Access will gradually improve in the **late morning** as the surface cools and traffic control shifts.
- **Full Access is expected by the afternoon**, once compaction is complete, and the roadway is safe to drive on.

What Residents Should Do

- Move vehicles to the street or an alternate location **before 6:00 AM**.
- Have all vehicles off of 305th street by 7:00 AM.
- Plan morning travel accordingly to avoid delays.
- Follow all posted signage and crew instructions for safety.
